

KIOX Digital Signage is the next wave of an advanced technological expansion aimed to deliver right message at right time & place. Digital signage enables healthcare providers to communicate with their patients/visitors at that important moment when they sit idle. KIOX solution adapts your brand and modernizes style to deliver a new way of sharing to improve visitors/patients experiences.

ASHU Dental
MULTI SPECIALITY POLY CLINIC
ORAL HEALTH CARE, IMPLANT & LASER CENTER

TIPS

1. Brush at least twice a day.
2. Use fluoridated toothpaste.
3. Brush thoroughly.
4. Floss your teeth daily.
5. Limit acidic drinks like soft drinks, cordials and fruit juices.

Décor Digitally To Educate & Engage Patients

Reach, Engage & Drive Result With Future Digital Trend

Waiting area is one of the engaging places for doctors to share, expand & connect with Patients/visitors through an interesting way, KIOX signage. Digital Signage of KIOX provides better chance to enhance Quality-Of-Experience and reach visitors with important messages, programs, and advertisement that impact the possibility of a return visit.

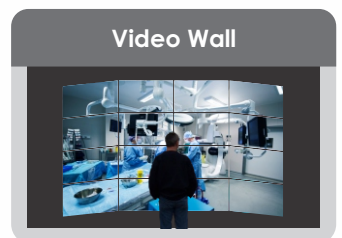

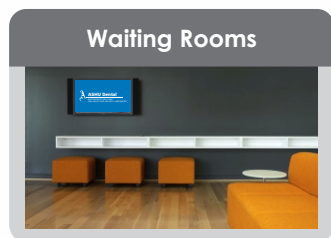

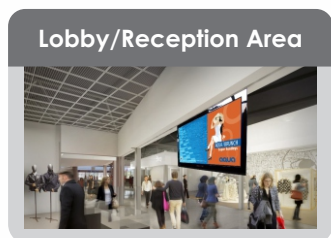

With KIOX Signage, hospital administrators can show advertisement of third-party to increase profit margin. Interestingly, doctors can also share their profile and experience in digital signage content to maintain trust and strengthen relation with patients. Being an affordable, KIOX digital signage enables doctors to enhance efficiency and quality of patient care.

Improve Waiting Area Experience,

Strengthen the doctor-patient bond
